

WORK COMPLETION CERTIFICATE

Date: 15th April 2021

TO WHOM IT MAY CONCERN

This is to certify that **M/s. Infocon Services Pvt Ltd** having their head office at 10B, Plot No-10, Dwarka, New Delhi-110075, India was working as a subconsultant to Jain & Partners for the Strategic Food Security Facility in Doha Qatar. Their scope involved BIM modeling of various MEP & ELV Services to LOD 300 level, clash analysis / resolution and drawings extraction from coordinated BIM models. Project duration was close to 12 months and several design iterations were captured during this timeframe.

We truly appreciate their support on this project; their focused and diligent team allowed us to deliver this challenge project in time.

This certificate is being issued to **M/s. Infocon Services Pvt Ltd** on their request to issue completion certificate and without any commercial, financial, and contractual obligation to Jain & Partners.

We don't hesitate to recommend **M/s. Infocon Services Pvt Ltd** for any such assignment in future.

For Jain & Partners

Anish Jain, P.Eng., CEM, CMVP, LC, LEED AP
Executive Vice-President

Sector 10, Dwarka, New Delhi (110075)
INDIA

Date: 28/04/2018

Kind Attention: Mr. Ramesh Sharma
BIM Director

Subject: Project Appreciation for Istanbul New Airport.

Dear Mr. Sharma,

This letter is to extend an appreciation towards your performance & sole supervision for BIM Production Services in Istanbul New Airport, the largest greenfield airport construction project in the world with an ultimate capacity of 200 million passenger per year and 76 million sqm footprint area. On behalf of İGA, I would like to appreciate your remarkable performance & management of modeling and coordination of multiple design disciplines from multiple parties including architecture, structure, MEPF & IT, special airport systems and infrastructure during the successful completion of LOD200, LOD300 and LOD400 scope of works.

From the start of your BIM Production Services to the date more than 80000 documents incorporated into BIM, while the model updated continuously and submitted weekly. Other than regular submittals such as 3D BIM, 4D schedule plan, BOQ and clash reports; you have managed to deliver all emergent time critical deliverables and successfully stayed ahead of construction works.

We believe LOD500 scope of works will be successfully delivered on time with your expertise, hardwork and versatile approach as before and our collaboration will continue during the forthcoming construction phases and operations of Istanbul New Airport.

With Best Wishes,

Ozan Köseoğlu

Chief Technical Officer

İGA Havalimanları İnşaatı Adi Ort. Tic. İşletmesi

TO WHOMSOEVER IT MAY CONCERN

This is to certify that Infocon Services Pvt. Ltd has worked as BIM consultant for Egis Consulting India Pvt. Ltd in Lucknow International Airport project from 2017 to March 2020.

The Scope was limited to creating LOD 300 BIM models for Architecture, Structure & MEP disciplines along with coordination and extraction of CSD CAD drawings. All design changes were incorporated into BIM models.

The assignment has been successfully completed and we found Infocon as reliable consultant to work for any similar projects. The feedback for Infocon was always positive and we wish them all the best for future projects.
